

### **About Eneza Education**

Eneza Education is Africa's No.1 Mobile Learning Platform for 10 - 25 year old learners in rural areas. We offer interactive learning content and live teacher chat for primary school students, high school students, teachers and budding entrepreneurs. We've reached over 2 million users using feature phones via text messages.

### **Why volunteer**

Join Eneza as a volunteer to make a difference by promoting education technology in Africa. Be the virtual teacher that brings this difference in a child's life! We pledge to honor your time constraints. An hour or two a day really makes a difference.

### **Job Summary**

- Respond to student's questions on various subjects as scheduled through provision of quality response
- Share feedback on users requests shared via Ask-A-Teacher
- Suggest on how Eneza can improve learning experience on Ask-A-Teacher

### **Requirements**

- Primary (P1) or secondary (B.ED) trained teachers
- Bachelor education students
- Must be passionate about education and dealing with students
- Computer literate
- Well organised and committed
- Strong moral values and disciplined
- Own a laptop

### **Benefits**

- Experience in digital learning
- Certificate for Online Digital Teacher from Eneza Education
- Recommendation letter from Eneza Education

Interested volunteers should send their detailed CV to [polly@enezaeducation.com](mailto:polly@enezaeducation.com) by 15<sup>th</sup> October 2017. Only shortlisted candidates will be contacted.
